- 8 - • Recognize that your role as the coach or trainer in emotional intelligence is to act as a mirror for the learner. Sometimes, self-assessment in a leader with low self- awareness can be flawed; therefore, your role is expanded.

### Emotional Literacy Eqi

Developing Your Emotional Literacy. The purpose for developing our emotional literacy is to precisely identify and communicate our feelings. When we do this we are helping nature fulfill its design for our feelings. We must know how we feel in order to be able to fill our emotional needs. And we must communicate our feelings in order to get the emotional support and understanding we need from others, as well as to show our emotional support and understanding to them.

### Emotional Literacy by EQI.org | Emotions | Self-Improvement

Self-awareness, or the ability to recognize and understand your own emotions, is a critical part of emotional intelligence. Beyond just recognizing your emotions, however, is being aware of the effect of your own actions, moods, and emotions of other people.
