9780328672615: enVision Math Common Core, Grade 3 ...

We use enVision Math. I personally love most parts of it. I have had to do some supplementation, a little more this year with common core, but I have had to do that with any curriculum I've used. We have used enVisions for 4 years and I have been to TONS of trainings for our district/school. I think that helps.
