The Needs and Rights of Children, by John Holt. The case for treating children like real people, not pets and slaves, and for making available to them all the adult rights & responsibilities as outlined in the U.S. Bill of Rights. This book will challenge not only your ideas about what constitutes "childhood" in today's society, but your ideas about society as a whole.

basic rights afforded to adults to any child who would like to invoke them.

Escape From Childhood John Holt

Escape from childhood will actually show you a different side of childhood, the side which children see. It is rare, it is controversial and it is provocative. I would say that John Holt is a daring writer, surprisingly this book was first published in 1974.
