Essential Gwt Building For The

Essential GWT: Building for the Web with Google Web Toolkit 2 (Developer's Library) [Federico Kereki] on Amazon.com. *FREE* shipping on qualifying offers. With Google Web Toolkit, Java developers can build sophisticated Rich Internet Applications (RIAs) and complete Web sites using the powerful IDEs and tools they already use.

Essential GWT: Building for the Web with Google Web ...

Essential GWT is easily the most disorganized book I've ever read. It skips around randomly from one very detailed factoid to another. For example, chapter 3 introduces how to compile the first "hello world" GWT application. This is followed immediately by the intricacies of page history and authenticating user logins.
