***The Centre for Menstrual
Cycle and Ovulation Research
Estrogen Storm Season is a
book I've bought and given
away a few times to friends
like me who are experiencing
alarming and unexpected
symptoms from menopause.
You learn about things like
how estrogen goes off the
charts before it starts to
decline, and how that shows
up in a lot of symptoms.***

The benefit of buying the book ...

Estrogen's Storm Season. Stories of Perimenopause ... For symptomatic perimenopausal women like Cynthia Gormley and myself, estrogen swings to Everest-like peaks and may

Get Free Estrogens Storm Season Stories Of Perimenopause

intermittently be a 1000-fold greater. Perimenopause, for some of us, is estrogen's storm season (2). Despite that, ever since estrogen was first discovered in 1926, anything ailing women has been deemed "estrogen deficiency."

Estrogen's Storm Season: Stories of Perimenopause ... In Estrogen's Storm Season she uses storytelling to carry her message by personifying the main challenges of perimenopause. Perimenopause begins when the first symptoms appear and lasts until one year after the last menstrual cycle.

...

Some women patients are skeptical, because they have been placed on estrogen 'replacement" medication, or they have read that their symptoms are owing to the waning of estrogen. The doctor describes the results of various trials about supplementary estrogen, including the 2002 Journal of the American Medical Association report.
