6) • "European expansion everywhere encountered human societies and cultures characterized by long and complex histories." (p. x) Capitalism and "other" societies • "Since much of this history involved the rise and spread of capitalism, the term 'Europe' can also be read as shorthand for the growth of that mode of production." (p. x)

Amazon.com: Europe and the People Without History ...  
Eric Wolf's Europe & the People Without History (1982) is a foundational work for anthropology, history, and global studies. I read parts of Europe and the People Without History my first year of college for a seminar titled "Imperialism, Slavery, and Revolution" with Shanti Singham.I tackled the rest over the summer when I returned home to Montana.

Europe and the People Without History - Wikipedia  
This book should be titled "Europe and the history without people". It is a protracted screed of social science theories and a history of the world told from the perspective of an iron pot being traded for a beaver fur. The whole thing is an argument against social science types writing history.
