Everyone ' s Guide
to the South African
Economy (13th
edition)

This is a delightful
book. Until I read
this book, I had
never read a book
of the " complete

idiot ' s guide ”
genre. So, I did not

know what to
expect. And while
no doubt, each such
book differs
depending on the
author, I found this
one to be delightful.
It is informative,
educational and a
pleasure to read.
