(PDF) Exploration of irony appreciation in schizophrenia ...

examination of irony. This thesis centers on an exploration of irony, specifically situational irony, in China and the United States. The topic, albeit very narrow, merits a lot of attention from the study of irony given the importance of understanding cross-cultural differences in comprehending and appreciating irony.

The exploration of irony is done theoretically by means of argumentation and criticism of previous studies and the limitations which arise make room for further research on the impolite function of irony. The examples which are

"Exploration and Irony in Studies of Siam over Forty Years

watershed in Thai studies that has altered and shifted the hitherto dominant, conservative, elitist, state-centric, royal-nationalist mainstream to an inundation of revisionist counter-streams and sub-streams since the 1990s.

Exploration and irony in studies of Siam over forty years ...

His early studies of Indonesia led to the publication of Imagined Communities: Reflections on the Origin and Spread of Nationalism, a book that profoundly changed the way people understand modern states. Banned from returning to Indonesia after his interpretation of the 1965 coup was published, Anderson shifted his attention to Thailand.

Exploration and Irony in Studies of Siam over Forty Years ...

Exploration and Irony is a great country study much like Language and Power, though Anderson seems less tormented by Thailand. Exploration seems more distant as Thailand is analyzed through a series of " objective " historical conditions against other countries, which serves to make the country seem less unique.
