Extreme Danger

Extreme Danger by Shannon McKenna is a trainwreck of a book. It is dripping with crazysauce. I like Shannon McKenna's books. I'm always a little embarrassed that I like them because they are so over the top, but I'm completely unable to defend having this book in my library.

Flash Point: Fire Rescue – Extreme Danger | Board Game ...

Anyway, Extreme Danger does come with some other components, but many of them are just repeats from 2nd Story (open windows, ladders). The only really new extras, other than the attic/basement stairs, are the jammed/fireproof doors and dangerous objects/chemical spills. I don't find these super exciting.

Annoying Orange - Extreme Sour Candy Challenge!

Extreme Danger is an exciting and sexy book, one that surpassed my tepid expectations. I thought it would be all about the smut -- and there was some serious sexual tension -- but the tense, nervous plot takes over right away. The female lead, Becca Cattrell, is an awesome character... a compelling mixture of raw strength and vulnerability. ...

Mind Control | EXTREME DANGER EXTREME HYPNOSIS DOCUMENTARY

Extreme Danger is probably my favorite expansion so far, with a caveat; I'm not sure I would recommend jumping straight from the base game to this. The expansions do a good job of introducing new concepts in smaller increments, and Extreme Danger really is the culmination of everything into one massive challenge.

For the most part, though, extreme sports are individual athletic activities that are inherently dangerous in some way. Most extreme sports also provide athletes with what drives many of them to take the risk of participation: a rush of adrenaline that makes them feel more alive than they've ever been.
