FEIN dust extractors are effective, solid, and surprisingly quiet. Vacuum execution is measured by static water lift. With water lift ranging from 90 to 99 inches, FEIN dust extractors yield far more prominent suction than all other manufacturers. Even more impressively, at an abnormally low 60 decibels, they are far less noisy than other vacuums.

Dust Extractors - Fein

Fein vacuums, on the other hand, are not without their own standout qualities. In fact, there's one area where the Fein Turbo series vacuums just can't be beat: they are amazingly, blessedly quiet. The first time you turn on a Fein vacuum and hear it's teeny, tiny voice, you may feel the need check and see if the thing is actually working.
