Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Debits and credits are probably the most
basic, but also the most confusing part of
bookkeeping, except for those trained and
experienced in their daily use. Debits are
accounting entries that increase Asset or
Expense accounts and decrease Liability and
Income accounts. They always appear on the
left side of an accounting entry.
