Peter Watts~series~Firefall~book 2~Blindsight~part 2

It's my opinion that Peter Watts's *Blindsight* is the best hard science fiction novel of the first decade of this millennium - and I say that as someone who remains unconvinced of all the ramifications of its central argument. Watts is one of the crown princes of science fiction's most difficult subgenre: his work is rigorous, unsentimental, and full of the sort of brilliant little moments of synthesis that make a nerd's brain light up like a pinball machine.
