Flashpoint was used to bridge the gap between the old DCU and the New 52. It's a shame that that is what the story is best known for since it cheapens the interesting "what if" story presented, when the inevitable changes to the overall status quo in the final pages are entirely incidental to the overall story of the book.

Flashpoint TP Box Set - instocktrades.com

The concept of the flashpoint books is one of what if something changed in the past and everything is now different in the 'present'. The Flash-centric flashpoint volume covers the central story while the 'world of flashpoint' books such as this one serve as companion anthologies.
