Wholesaling real estate is when a real estate wholesaler puts a distressed home under contract with the intent to assign that contract to another buyer. The wholesaler doesn't plan on fixing up or selling the property. Instead, they market the home to potential buyers for a higher price than they have the property under contract for.

Real Estate Wholesaling Goals

Typically a wholesaler will assign the contract using one of the Wholesale Assignment Contracts for a specified assignment fee. Most investors are very aware that wholesalers make money assigning these real estate contracts and don't have a problem paying the assignment fee as long as they're buying at a price that they like.
