Focus on Photography by Kathleen Monaghan and Hermon ... Hermon Joyner I've been a working photographer since the early 80s and at one time was the web content editor for a major camera retailer in the US. My photos have been exhibited across the US in more than 100 exhibits. I am also the primary author of "Focus on Photography," a high school photo textbook published by Davis Publications.

Focus on Photography: A Curriculum Guide Focus on Photography is a high school level textbook published by Davis Publications, Inc. in Worcester, Massachusetts. It covers both traditional darkroom based and digital photography, and teaches photography by subject categories, such as landscape, portraits, photojournalism, and still life.
