Food in Chinese Culture: Antropological and Historical ...

Thanks to the lunar calendar, the Chinese New Year is a bit of a moving target. This year, it begins on Saturday, January 25 and celebrations last for as long as two weeks. 2019 marks the Year of the Rat (taken from the Chinese zodiac). Those born in 1924, 1936, 1948, 1960, 1972, 1984, 1996, 2008 and 2020 are clever, quick thinkers, successful, but content with living a quiet and peaceful life.

Because of the Chinese diaspora and historical power of the country, Chinese cuisine has influenced many other cuisines in Asia, with modifications made to cater to local palates. Chinese food staples such as rice, soy sauce, noodles, tea, and tofu, and utensils such as chopsticks and the wok, can now be found worldwide.

Culture, Cuisine, and the Anthropology of Food

The food style of a culture is certainly first of all determined by the natural resources that are available for its use. . . . It is thus not surprising that Chinese food is above all characterized by an assemblage of plants and animals that grew prosperously in the Chinese land for a long time.

Los Arcos ' s owners, the Luevano family, came to the U.S. from Mexico with the dream of sharing their food culture. Having been able to expand to three separate locations, they are undeniably doing something right. Homegrown family recipes ensure that dishes, from the giant shrimp cocktails to the green chile tamales, pack plenty of flavor and habanero zing.
