Unsurprisingly, 'sissification' is not searched for all that much and forced feminization is much more common. Coupled with that was forced humiliation / humiliated sissies etc and seeing as all of Sissifuss' stories contain forced feminized humiliation it was a bit of an oversight! There is no Sissifuss without humiliated sissies, believe me.

Rio Sofia first encountered sissification porn, where men are forced into womanhood as a form of punishment or humiliation, through fetish magazines. This rich underground visual language complicated her understanding of transgender representation and contradicted developing narratives in the mainstream that celebrated gender transition as an empowering form of self-determination.
