Founding Father: Rediscovering George Washington by ...
George seems to have had weak emotional ties to his own father, Augustine Washington, who died when his son was 11.

Founding Father: Rediscovering George Washington by ...
Washington had surprisingly little formal education, at least compared to most of the other founding fathers, but he read voraciously and was very close at various times to other founding intellectuals such as George Mason, James Madison, and Alexander Hamilton. He supported the foundation of a national university...

Founding Father - Rediscovering George Washington: Amazon ...
The weakest section of the book is the one dealing with "The Founding Father." That Washington was father of his country is a metaphor which captures some of the truth and much of my feelings about the matter. He did indeed tenaciously lead the country through the war which effected our separation from Britain and independence of her.

Founding Father - Richard Brookhiser - Google Books
Richard Brookhiser (/ˈbrʔkhɑːzɹ/; born February 23, 1955) is an American journalist, biographer and historian. He is a senior editor at National Review. He is most widely known for a series of biographies of America's founders, including Alexander Hamilton, Gouverneur Morris, and George Washington.

Founding Father: Rediscovering George Washington
Modern opinion regards George Washington as a nonentity, a political figurehead of no real importance to the founding of the country. The stories of his early life and character popularized by Parson Weems — the little boy who could not tell a lie — are discounted as naive exaggerations suited to a time when Americans still thought our leaders should be better than the rest of us.

I need a full summary of the book *Rediscovering George Washington: Founding Father* by Richard Brookhiser. All parts please: career (war, constitution, president), character (nature, morals, ideas), and founding father (fathers, patriarchs and masters, father of his country), death.

Founding Father: Rediscovering George Washington - Richard ...
George Washington is the neglected founder. He is either debunked at the hands of revisionist sophisticates, or sentimentalized through what might be called the eternal return of cherry-tree iconography.
