Terrorism is, in its broadest sense, the unlawful use of intentional violence to achieve political aims, especially against civilians. It is used in this regard primarily to refer to violence during peacetime or in the context of war against non-combatants (mostly civilians and neutral military personnel). The terms "terrorist" and "terrorism" originated during the French Revolution of the ...

Terrorism - Wikipedia

The International Journal of Communication is an online, multi-media, academic journal that adheres to the highest standards of peer review and engages established and emerging scholars from anywhere in the world.. Funding for the journal has been made possible through the generous commitment of the USC Annenberg School for Communication and Journalism.
