Francois Grosjean - Book Depository
Even though more than half the world's population is bilingual, the study of bilinguals has lagged behind that of monolinguals. With this book, which draws on twenty-five years of the author's research, Fran--ccedil--zois Grosjean contributes significantly to redressing the balance. The volume covers four areas of research: the definition and characterization of the bilingual person, the ...

Francois Grosjean - Book Depository
This book explores the life and experiences of one of the world's most renowned and well-respected experts in bilingualism. Francois Grosjean takes us through his life, from his monolingual childhood in a small village outside Paris to the long periods of time he spent in Switzerland, England, France, and the United States, becoming bilingual and bicultural in the process.
