What is the APA Citation Style? The APA citation style is a parenthetical author-date style, meaning that you need to put the author's last name and the publishing date into parentheses wherever another source is used in the narrative. The APA format consists of in-text citations and a reference list, along with guidelines for formatting the paper itself.

...

APA style is currently in its 6th edition, which was released in 2009. In previous versions of APA format, researchers and scholars were required to include the date that an electronic resource was accessed. In addition, names of databases were included, and only the name of the city was included in the publication information.
