French Parents Don't Give In : Pamela Druckerman ...

According to "French Kids Eat Everything," French parents don't use food as a bribe, punishment, or reward. This helps French kids from developing strong emotional associations with certain types of food that may impede them from eating it (or, in some cases, could encourage them them to gorge on it), and may lead to an overall healthier relationship with food.

French parents don't give in : practical tips for raising ...

Thoroughly enjoyed both the autobiographical nature of this book and the great information on child raising techniques used by French parents. So much of it was similar to the way I was raised here in Australia in the 50s and 60s and the way I raised my children in the 80s and 90s, before the advent of the "Child-King".
