(entitled "The Lost Interview") was published in Movie Maker Magazine in February 2004. At the time of the interview, Fritz Lang (December 5, 1890 - August 2, 1976) was recently home from hospital, recuperating from an operation.

Fritz Lang: Interviews - Fritz Lang - Google Books
Lang (1890-1976), a notoriously difficult interviewee, granted relatively few interviews apart from short publicity exchanges in the promotion of his films. Fully aware of his public persona, he was a canny self-promoter who carefully constructed half-truths and myths about himself.

Fritz Lang Interviewed by William Friedkin (1975) - IMDb
The films of Fritz Lang depict an entrapping, claustrophobic world in which people are controlled by larger forces. His overriding theme is the struggle against fate and against the traits of human nature that doom us. His life and work spanned six decades of film history—from the silent era through the golden age of German Expressionism of the 1920s and the classic studio system in Hollywood ...
