"From Third World To First" is an exciting read because we already know it has a happy ending. Singapore, the city state that no one in 1965 expect to make it, did, and become what others have called a country "that punches above its weight".

From Third World To First

"The title of this book, From Third World to First, expresses an aspiration of all developing countries but so far, alas, an achievement of very few. Singapore is one of those few. This account of its first years of independence written by its founding father, Lee Kuan Yew, will therefore be of great interest to people of other developing countries and to all those who are interested in their fate.
