Many of the financial statements you need to understand a company are contained in its annual report. If you're considering buying stock in a company, you can request the annual report for free. As opposed to the 10K filings (see below), annual reports are often easier for the average reader to digest.

FT Guide to Understanding Finance: A no-nonsense companion ...

A guide to understanding the German election. In German you can create new words almost ad infinitum, usually by bolting existing words together. One way to understand Germany's elections of September 24 is therefore to look at the country's current political vocabulary, from Genderwahn to merkeln.
