Fully connected : social health in an age of overload ...

Fully Connected - by Julia Hobsbawm. I read this book with great interest. I wasn't entirely sure what I was letting myself in for. What I did know was that Julia Hobsbaum, the networking knowledge guru, is leading the way in challenging the impact of social media on our health.

People will see health and social care fully joined-up by ...

In other words, social connectedness generates a positive feedback loop of social, emotional and physical well-being. Unfortunately, the opposite is also true for those who lack social connectedness. Low levels of social connection are associated with declines in physical and psychological health as well as a higher likelihood for antisocial behavior that leads to further isolation.
