**2) A unified valuation approach—net present value (NPV) is treated as the basic concept underlying corporate finance. 3) A managerial focus—the authors emphasize the role of the financial manager as decision maker, and they stress the need for managerial input and judgment.**

**Fundamental Of Corporate Finance Second**

**Was actually pretty impressed with this book. I'm working on another masters and this was my second go around of corporate finance (school wouldn't wave the requirement). Having used a different text previously and having experience in applying the concepts in the real world, I can say with certainty this was a much better text.**
