expert, but rather is focused on helping the individual to unlock their own potential. The focus is very much on the individual and what is inside their head. A coach is not necessarily a designated individual: anyone can take a coaching approach with others, whether peers, subordinates or superiors.

First off I want to say that if your client is suffering full-blown flashbacks or a debilitating phobia, this may need to be lifted before further coaching can take place. Charles was lucky enough to go to a coach who, along with an increasing number of life coaches, knew how to use an ethical and comfortable method of lifting trauma.

Acting more like a coach. So how can a Manager behave more like a Coach??

Further Techniques for Coaching and Mentoring von David ...

This Performance Coaching guide, together with the GROW Model Guide (best-known performance coaching model), combines the best coaching tips I have collected over the years.. Most of the coaching advice you will find in both guides comes from working with Sir John Whitmore, the godfather of performance coaching and author of the bestseller Coaching for Performance (a great book, by the way).

Further Techniques for Coaching and Mentoring - David ...

The first is with an external coach who is not part of the organisation or line management structure in any way. The second is an internal coaching relationship, where a manager or leader acts as a coach for their team. The two require different ways of working as coach, although they share some similarities.
