Problem gambling is any gambling behavior that disrupts your life. If you're preoccupied with gambling, spending more and more time and money on it, chasing losses, or gambling despite serious consequences in your life, you have a gambling problem. A gambling addiction or problem is often associated with other behavior or mood disorders.

This is a joke. Gaming is not even close to the problems that parents are facing with their kids. In fact, it is the opposite. Gaming promotes logical critical thinking and reflexes in addition to social interaction. Parents need to stop blaming outside sources for their children's issues and start looking at themselves.
