GPSMAP 400/500 series - Garmin

Another irritation with the 440S is that Garmin has completely changed the user interface and menu system that was common to most of the Marine GPS chartplotter/sounders from the Model 125 (mid '90's) through the 498 (2006). Owners of these older units will find the new user interface very confusing, and lacking many features of the older

units.
