The Edge and the Center: Gated Communities and the Discourse of Urban Fear

Gated community - Wikipedia

Gated communities are usually portrayed as ghettos in which the rich choose to seclude themselves out of fear of others and an exacerbated desire for security. According to Eric Charmes, this assessment ought to be more nuanced: many of the criticisms directed at gated communities are ill founded. Everywhere in the world residential neighborhoods are being closed off to unauthorized visitors ...

Gated Communities: Ghettos for the Rich? - Books & ideas

The chapter then discusses the gated community, situating the Chinese case within a larger global discourse on the topic, with a focus on the February 2016 urbanization guidelines. Chapter three describes the field study undertaken in Beijing in January 2017, including resident interviews and observational research in Jianwai SOHO, an open mixed-use development, and the Global Trade Mansion, a ...

the Discourse ...

Gated communities are a hot topic of research and discussion in urban studies. As summarized in a recent encyclopedia entry: Although gated communities are eulogized by residents, developers, and real estate agents for providing safe family spaces and secure financial investments, they have received a largely negative press from academics and the media, who perceive them as private fortresses ...
