The Challenges London Faces
Whilst London is a fantastic
city and a great place to
live and work for many
reasons, it is not without
its challenges. There are
huge variations in wealth
and access to jobs across
London, and the high cost of
living of London poses
problems for many of the
people who live there.

social and economic challenges Mumbai is a city that faces many challenges and those challenges are large because of its immense size and rapid growth.

Physical Geography also plays a role, as Mumbai has been limited in where it can grow because it originally grew at the southern end of an island surrounded by the Arabian Sea and 2 rivers.

Permafrost in Svalbard creates considerable challenges for building and constructing infrastructure. Roads are built on raised gravel beds to reduce heat transfer which can thaw the permafrost. Many domestic services such as freshwater and sanitation have to be provided above ground in insulated utilidors to minimise the risk of freezing pipes and thawing the permafrost.
