Gendering Orientalism: Race, Femininity and Representation ...
Lewis' Gendering Orientalism manages a fairly thorough and detailed discussion of gender, sexuality, class, race, and religion in the terms of 19th century Orientalist art-by-women with only a few slips into academic jargon. I was thrilled, throughout, at how comprehensible a book it was. It's also worth noting that Lewis grounds her book in a feminist critique (perhaps a better word would be ...

Henriette Browne had a successful career as an artist and although many of her works are untraced, the surviving works in private collections testify to her popularity. Today, her paintings offer an intervention into the type of 19th century Orientalism that largely catered to and reaffirmed the status of the dominating male gaze.
