*George Nader's interesting Chrome (Putnam, 1978) is a full bore gay love story, a passionate, sexual romance between strongly written men. . The The 1st gay SF novel I read in 1978. It's about a human who falls in love with a robot (android actually) .

Chrome 1ST Edition by George Nader - Goodreads

Perhaps all George Nader intended was a sweet semi-pornographic romp in space - Chrome had many "lovers" and some scenes played out like a bad porno - such as the obviously gratuitous inclusion of a helicopter bondage scene. But, wow, did Nader develop a solid back-story for this sexy romp!

Firat of all, it's a hoot that George Nader wrote this -- he was one of the hottest young stars in Hollywood in his day. But he's a very good writer, too. I paid a lot of money for this tome, but it was worth every cent. I couldn't put it down. Besides an intriguing premise, the futuristic view he puts forth is cool simply because of the date ...

George Nader, one of my gay fantasies when I was a 12 year old in 1952. Never knew he was gay until I read a Rock Hudson biography. Interestingly, I always thought George was much sexier than Rock. It's a shame George never achieved major stardom. He certainly had screen presence. My two teenage fantasy were George Nader and Guy Madison.
