Giving Kids a Fair Chance (Boston Review Books): Heckman ...

Giving Kids a Fair Chance from Boston Review. Nobel Prize-winning economist James Heckman argues that early childhood intervention can improve the economic and social mobility of children born into disadvantage. At a time when state and local budgets for early interventions are being cut, Heckman issues an urgent call for action and offers some practical steps for how to

??"Giving Kids a Fair Chance"?????

In Giving Kids a Fair Chance, Nobel Prize-winning economist James Heckman argues that the accident of birth is the greatest source of inequality in America today. Children born into disadvantage are, by the time they start kindergarten, already at risk of dropping out of school, teen pregnancy, crime, and a lifetime of low-wage work. This is bad for all those born into disadvantage and bad for ...
