Do Your Kids Have School Anxiety? - The Tapping Solution

Alex Ortner ' s "Gorilla Thumps and Bear Hugs" is a fun read for children, and gives parents an awareness of meridian tapping skills that seem too good to be true. Super easy and safe, and it works. I work with executives across America using these same skills with them for the past 10 years as an executive and personal performance coach.

Amazon.com: Customer reviews: Gorilla Thumps and Bear Hugs

Gorilla Thumps and Bear Hugs I have now given two copies of this book to friends who have children around 5-6 years old that often get agitated and difficult to settle - both kids love the book and really settle down after they read the book and do the tapping while reading. I highly recommend this book.
