GPSA releases 14th Edition Engineering Data Book

The 13th Edition of the GPSA Engineering Data Book/CD Set is available in two versions: FPS (English Units) and SI (Metric Units). Both versions consist of a compilation of basic design information, together with the latest technical data and approved procedures for use by gas processing personnel to determine operating and design parameters for hydrocarbon processing and related facilities.

GPSA 13 Ed. Separation - DocShare.tips

The GPSA website says that in the 13th edition major changes and updates have been done to the databook. I am quoting what they have mentioned on their website: - Section 3 (Measurement) has new sections for gas and flare measurements - Section 4 (Instrumentation) has new topics dealing with safety instrumented systems and facility network and control systems.
