He is a greenhorn, having been on a ranch before striking out to seek gold. Gun shots meet Greg's first attempt to dig into his claim, and a young woman in men's clothing saves his bacon. When she and her father are shot, and the father dies, Greg is blamed for the father's death even though the killer is right there in the cave where their mine is.

The Settlers (The Australians, #2) by William Stuart Long
The Settlers, part 1 of The Movement Trilogy (actually kind of a 4 parter), is an emotional tour de force (but not overly emotional, and not emotionally draining) covering the slowly unfolding events leading up to a revolution across the twelve civilian space stations which now represent the last vestige of hope for the human species continued survival.

...

The Settlers is the second book in a long series on the founding of Australia. This book continues the story of Jenny Taggart, now free from her convict status, but she (and others) bear the stigma of it and are shunned by the free settlers now arriving. The new colony struggles with the land, as well as...
