[EN] Watch and Work - Skoda Octavia 1.9I TDI

Hi, I have just bought an octavia 1 and will be changing the cambelt as there is no record of it being changed. I have the vag service software so I can see the 'official' way of doing it but past experience of doing cambelts etc leads me to believe that there will be some 'wrinkles' that others have found.

Skoda Octavia Timing Belt/Chain Replacement Cost ...

A complete timing belt kit offers a solution. It is more efficient to replace the tensioner and idlers and even the water pump when the engine is already demounted. Check our online catalogue to find the matching timing belt kit or timing belt kit with water pump for your application.

Having got my Roomster with little or no service history, at 6yr/65000miles its prudent to change the timing belt and water pump. Its a CAYC 1.6 CR diesel and have had a scout around here (no pun intended) but cant find a guide. Ive got the cam, crank and fuel pump locking tools and although Ive ...

VW / Skoda 1.8L TSI: When to replace the timing chain ...

Acuras have one of the longest intervals for timing belt replacement. Most models, like those with 3.2-liter engines, do not need their timing belt replaced until they hit 92,000 miles or after six years, whichever comes first. Others can go as long as 105,000 miles before the belt has to be replaced.

Deflection / guide pulley, timing belt for SKODA Octavia ...

The last gen Octavia VRS with the 1.8 TPI engine was notorious for its timing belt failures. A belt replacement post 60,000kms was highly recommended. The 1.8 TSI comes with a timing chain which is supposed to last the lifetime of the engine. Meaning to say there is no prescribed interval for its replacement.

Timing chain failure on Skoda Octavia 1.2 TSI - Honest John

How to Know When to Replace Your Timing Belt

I bought a used (2011) Skoda Octavia 1.2 TSI from a dealer in 2012. Two weeks ago, parked normally on (flat) drive in evening. Following morning, engine died before car could be put into gear and driven. After being towed to a local garage, I've been told the timing chain has snapped and the car needs a new engine. The estimated cost of a replacement engine is £5000, which means it's an ...
