is popular among combat pures because there is no required Defence level.

Guide to the Magic Books - Celebrations Press
The most scientific approach to "magic" or psychic ability that I've read. This is a great book for making a clear-headed argument that magic is real, backed up by numerous scientific studies, and that the reason that there's any doubt about it is because we've been steeped in centuries of Christian fear and pain when it comes to anything magical.
