Table of Roman Equivalents of Greek Gods  
Ancient Greek thought is the essential wellspring from which the intellectual, ethical, and political civilization of the West draws and to which, even today, we repeatedly return. In more than sixty essays by an international team of scholars, this volume explores the full breadth and reach of Greek thought -- investigating what the Greeks knew as well as what they thought about what they ...

Marble head of an athlete | Roman | Mid-Imperial, Antonine ...  
The Romans had many gods and personifications. When they came into contact with other people with their own collection of deities, the Romans often found what they considered equivalents to their gods. The correspondence between the Greek and Roman gods is closer than that of, say, the Romans and the Britons...
