Japanese navigation/entertainment system manual (NHDT-W57)

I have read a lot of posts all over the internet where people are having the same issue as you with no resolution to their issue. The best suggestion I could find for you is to download an Android app called "Cam Dictionary", then take a picture of the display, which will translate it from Japanese to English for you. Using this method, you should be able to shuffle through the menus to find ...
