management, is required reading for anyone studying to obtain their hearing aid dispensing license, or an audiology or speech pathology student looking for the latest in dispensing and fitting hearing aids in a succinct, entertaining format.

### Fitting and Dispensing Hearing Aids 2nd Edition Read ...

Although a second-hand aid may help your hearing, considerably more benefits will be provided by wearing a hearing aid that has been constructed with the latest technology. Similarly, the design of a second-hand hearing aid might be outdated, causing irritation to the skin, and consequently making them uncomfortable to wear for longer durations.
