Heathkit Instruction Manuals
Use the Troubleshooting Charts supplied by Heathkit in the Operations Manual as a starting point. There is a sequence to debug which seems to work best: check power first and recheck it at every card being debugged, then get the receiver to work starting with any noise from the speaker and working back to the antenna, then work on the ...

A ham gave me his old Heathkit HW-101 and HP-23 power supply. It did not work. Some local hams (Elmers) helped me get the receiver working. Then eventually the transmitter. One ham came over to show me how to set it up and make a contact - first contact was a ham in the state of New York on 40 meters. So from Richmond, Virginia to New York is ...
