Highbrow/Lowbrow - Lawrence W. LEVINE - Google Books

Levine 's *Highbrow/Lowbrow* shows us a period of American history when the classification of art was far less important than it is today, when an event could be both culturally important and hugely popular. Levine draws a picture of nineteenth-century America in which William Shakespeare was the most performed playwright in the nation, symphonies played popular music as much as they did the works of the great masters, and museums exhibited
