Amazon.com: An Introduction to Historical Linguistics ...  
Introduction to Historical Linguistics. Historical linguistics is the study of not only the history of languages, as the name implies, but also the study of how languages change, and how languages are related to one another. It might seem at first that this would be a rather dull, uneventful field of study, but that is far from the truth.

Emily's Introduction to Historical Linguistics  
The primary mission of this manual is to provide sample answers or possible solutions to the exercises in the Historical Linguistics: an Introduction, 3rd edition. For many of the exercises, of course, there is no definitive or unique single solution, and other answers than those given here may often be possible.
