### History of political thought - Wikipedia

While the term "political science" as a separate field is a rather late arrival in terms of

social sciences, analyzing political power and the affects that it had on history has been occurring for centuries. However, the term "political science" was not always distinguished from political philosophy, and the modern discipline has a clear set of antecedents including moral philosophy, political ...

#### **A History of Political Theory by George H. Sabine**

Political philosophy, however, is not merely unpractical speculation, though it may give rise to highly impractical myths: it is a vitally important aspect of life, and one that, for good or evil, has had decisive results on political action, for the assumptions on which political life is conducted clearly must influence what actually happens.
