News and Events Year-by-Year | Infoplease

Nearly every four years, we add an extra day to the calendar in the form of February 29, also known as Leap Day. Put simply, these additional 24 hours are built into the calendar to ensure that it stays in line with the Earth's movement around the Sun. While the modern calendar contains 365 days,...

The History of Anatolia : Every Year

Every year that is exactly divisible by four is a leap year, except for years that are exactly divisible by 100, but these centurial years are leap years if they are exactly divisible by 400. For example, the years 1700, 1800, and 1900 are not leap years, but the years 1600 and 2000 are.

History of the World: Every Year

"Years & Years" is a song performed by English singer-songwriter Olly Murs. The song was released as a digital download in the United Kingdom on 9 December 2016 as the third single from his fifth studio album 24 Hrs (2016). The song has peaked at number 83 on the UK Singles Chart

Years in History

The new year was moved from March to January because that was the beginning of the civil year, the month that the two newly elected Roman consuls—the highest officials in the Roman republic—began their one-year tenure. But this new year date was not always strictly and widely observed, and the new year was still sometimes celebrated on March 1.
