Congratulations for
being a home
based business.

With over 2 million
of you (as at June
2007) you employ
around 42% of
Australia. But

running at a
complete operation
from home can be
a lonely 'business'.

Robert Gafeney
(April 27, 2012)

Network marketing is a smart business move on the online world. It will take persistence and hard work. Many people are confused about how to launch their network marketing business and make money.
