Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Trade | London Stock Exchange

During my time at LSE I was studying amongst some of the smartest and kindest people I've ever met, and this challenged me to think critically and to understand how the human mind works. Often in business you need the ability to read between the lines, be it with your consumers, your employees or your partners and that's something I learned through my LSE classmates and the academic teaching.
